PRIVATE DINING ROOM

- Details: Perched on the 20th floor of the Conrad Chicago, Baptiste & Bottle is a neighborhood spot that offers an elevated American menu served in an environment that is reflective of bourbon's true American roots. The Private Dining Room continues the "Whiskey Row" design feel with warm and masculine tones and whiskey-inspired artwork. A design-forward chain curtain and sliding glass doors provide privacy from the restaurant's dining room. Guests will be wowed by floor to ceiling windows that offer stunning views of Chicago's skyline to the south. The intimate space can accommodate 12 guests seated comfortably and 20 reception-style.
- The Private Dining Room menu options feature the same exciting American menu from Baptiste & Bottle. Guests will see a selection of bold and seasonal flavors from world-renowned Chef Richard Sandoval and Executive Chef James Lintemann. Diverse beverage program offerings from Beverage Director Michael Fawthrop complete the meal. Tiered prix fixe menu and beverage options are available and allow for a customized dining experience.
